Gascoigne Place entrance

Pedestrian space increased with large planted area and seating at the entrance. Upgraded growing space with pergola which extends across entrance to underground carpark to create screening with climbing plants.

Materials palette based on brick colours in existing buildings.

Buff brick pavers for detail and edges around paving.

Small format paving slabs.

Darker brick paver for planter edges.

New entrance with planters, trees and pergola over growing space. New laser cut signage for entrance.

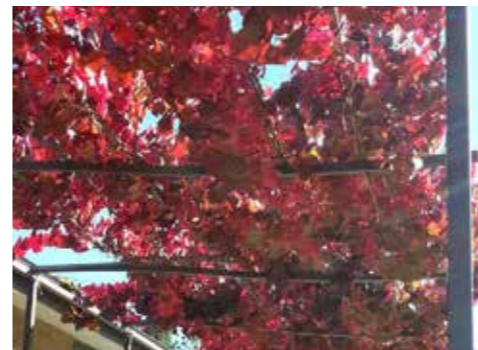

Laser cut signage examples

Shared lockable bike shelter.

Individual bike lockers.

Climbing vine to cover pergola across car park entrance.

Visitor cycle racks outside Dunmore Point and Wingfield House.
