

London Borough of Tower Hamlets – Baroness

14th October 2020

Dear Residents,

We wish to inform you that the LBTH Baroness Infill building is now completed and will be handed over to Tower Hamlets Homes.

Bouygues project team would like to express our gratitude and unreserved appreciation to all tenants and residents, for your understanding and cooperating with us over the period of construction. Also our sincere thanks to the TRA for being hands-on and their helpful support between us and the community.

Thank you all very much.

Kind regards, Bouygues UK project team

Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.

- Our operatives and staff are trained to work safely

Please help us to keep you and children safe, and take extra care during the school holidays.

COMMITMENT!**
