

Shaping a **Better Life**

23rd November 2018

Commencement of Works @ Baroness Site

The ground works are due to start on Monday 26th November 2018 and will continue for 2 weeks.

As we progress with the building project we are constantly monitoring that during the works we carry out, the safety of the local residents and the public is our priority and all access routes are carefully managed.

We apologise for the inconvenience that these works may cause you.

Yours faithfully

Ishmel Brady

Site Manager
